

Bumble Basic Blues Block

This 10.5" unfinished block is composed of any combination of these three blocks

Two of either Block A – Four Patch or Block B – Square in a Square
And two of Block C – Strippy Blues....

For Block A

Cut (2) 3" x 3" Red Squares

(2) 3" x 3" Blue Squares

Sew each Red Square to a Blue Square as shown:

Press the seam toward the Blue Square.

Then sew these two units to each other as shown:

For Block B

Cut (1) 2.5" or 3" Red Square

(2) 2.5" x 3" Blue Rectangles

(2) 2.5" x 6" Blue Rectangles

Sew the 2 smaller Blue Rectangles to the sides of the Red Square as shown:

Then sew the longer Blue Rectangles to the top and bottom of this unit:

Then trim the resulting square down to a 5.5" x 5.5" square making it wonky or straight.
....it's up to you....

For Block C

Cut various widths of Blue strips in 6" to 7" lengths and sew together as shown until you reach a width of 6":

You can make them as wonky or as straight as you want and you can even piece some shorter lengths together for more variety. And go ahead throw some other colors in there to as I did in the illustration!

So now trim these stripped blocks down to 5.5" x 5.5" squares as shown:

Feel free to make these wonky or not, for the sake of illustration I made them straight, but there is room to play with them before trimming them down. Do what you like best!!

Sew a B or A block to each of the C blocks and then sew those two units together as shown:

Different Combinations of A, B, and C Blocks.....

Here's an idea of how they might go together.....

And Feel FREE to substitute any "warm" colors (orange, yellow, pink, etc) for the Reds
And any "cool" colors (green, purple, grey) for the Blues
and on the C blocks...heck use anything!!!
